	<p>LU = Tuesday 22nd Wednesday 30th</p>	
<p>RESTORE2- Managing deterioration and observations</p>	<p>The RESTORE2 tool is designed to enable Care Home staff to manage deterioration. It encompasses soft signs, with a full set of obs and NEWS2 score, and then SBARD to hand over- its ethos is about using a ‘shared language’ across the health system to improve outcomes for residents who are unwell.</p> <p>Providers must have at least 2 attendees so they can work in pairs when doing the practical element of the workshop</p> <p>Ideally they should have some experience of taking observations- OR be able to work in a pair with someone who is very competent at taking observations ie a Registered Nurse.</p>	<p>Please register interest with Louisa Forbes. louisa.forbes@nhs.net</p> <p>PLACES AVAILABLE TOMORROW: 26th August 1-4pm</p> <p>23rd and 30th September 1-4pm</p> <p>And into the autumn</p>
